

I'm learning to cook international food with my Saturday club. Now my family wants me to cook dinner every night, and they usually want me to make different things.

Yesterday evening, my mom wanted me to make rice and beans, my dad wanted me to make pasta, and my sister wanted me to make sushi.

What can I do? I want them to cook dinner for me sometimes!

Andy

Focus!

My family **wants me to cook** dinner every night.
I **want them to cook** dinner for me sometimes.
