

Emma: What did you do on the weekend, Alex?

Alex: I went to the beach with my family. We had a sand sculpture competition. Look!

Emma: Cool! Who's the best at making sand sculptures in your family?

Alex: I am, I think. Look, it's a crocodile.

Emma: Really?

Alex: And this is my sister's.

Emma: Oh, yes!

Alex: Who's better at making sculptures, my sister or me?

Emma: Sorry, Alex. Your sister is.
