My name is Jill, and I'm a professional artist. I live in Los Angeles. I **'like / don't like** living here because Los Angeles is full of open-minded, creative people. Mornings are my favorite time of the day, and I **'love / hate** _____ early. Because it's sunny but not hot outside, I really **'hate / like** _____ a long walk before I start work. It's great exercise. I usually paint for a few hours, maybe from 9:00 to 12:00, and then I have lunch. I **'don't enjoy / enjoy** _____ friends for lunch. We usually make lunch together. After lunch, I **'like / don't mind** _____ for about 30 minutes. Then I go back to work. I **'finish / keep** _____ in the evening, about 7:00 or 8:00 p.m. I **'love / don't love** _____ at the gym or going running on the beach. And, I **'like / hate** _____ to bed late. I'm usually asleep by 9:00 or 10:00. It's a busy life, but I'm happy.
