

Let's Go to the Movies!

Welcome to my blog about movies.

I sometimes go to the movies three times a week! How often do you go to the movies?

My favorite types of films are horror, action, and fantasy movies. What types of movies do you like?

I also love the "bad guys" in movies. Here are my top three villains.

Cinema's Best Villains

by Erica Thompson

Cruella De Vil

Movie: *101 Dalmatians* **Actor:** Betty Lou Gerson (voice) **Famous phrase:** "You beasts!" I don't like this movie very much, but Cruella is a great villain. She loves puppies and especially Dalmatians – because she wants to wear them!

Darth Vader

Movie: *Star Wars V: The Empire Strikes Back* **Actor:** David Prowse **Famous phrase:** "You don't know the power of the dark side!" This is my favorite movie, and Darth Vader is the perfect villain because he never shows his face. He also speaks with a strange voice.

The Penguin

Movie: Batman movies, TV shows, comic books **Actor:** Danny DeVito **Famous phrase:** "Nnyuk, nyuk, nyuk." The Penguin is a villain in some of the Batman movies, TV shows, and comic books. His real name is Oswald Cobblepot. Sometimes he's funny, and sometimes he's scary, but he's always dangerous. I like him best in *Batman Returns*.

Who is your favorite movie villain?
