

Dear Mr. Lee,

I'm Kylie Jones, and I'm in your computer class. My friends and I want to make a website for our soccer team. We need computers to do it. We want to work together at the same time, but we don't have laptops. May we use the computer lab after school on Wednesdays at 4:00? We also need some help with the website. Can you help us with it? Please let me know. Thank you for thinking about this.

Sincerely,

Kylie
